NEW

PAINT PROTECTION FILM — PPF

THE ESSENCE OF PROTECTION, MADE EASY.

Preserve the shine of your car's bodywork every day with our new HXSO protective film.

THE PPF PROTECTION WITH EVERYTHING YOU'D EXPECT FROM A PREMIUM PRODUCT

It combines an affordable price with uncompromising protection.

RESISTANT

Designed to withstand outdoor damage such as stone chips, insects, door knocks and car wash brushes.

SELF-HEALING

The HXSO film is capable of absorbing and removing micro-scratches when exposed to a heat source.

WATER-REPELLENT

With its water-repellent properties, contaminants and dirt will not stick as easily, making maintenance and cleaning easier.

TECHNICAL CHARACTERISTICS

THICKNESS	190 µm	APPLICATION	Wet
LINER	PET	DURABILITY	Up to 7 years
ADHESIVE	Solvent-based acrylic	FINISH	Gloss or matt
			Surface protection film

HXSO
GLOSS FINISH
